Incidents

During the month of September, the Maynard Police Department was diligently preparing for the re-accreditation process. On September 18th, 19th and 20th the re-accreditation team was present in the Maynard Police Department reviewing our policies, procedures and facility. The assessment administrator explained that after a typical assessment most agencies are required to make multiple “repairs” of various standards but on very rare occasions an agency is not required to make any repairs. We are proud to announce that we do not have to make any repairs or report back to the commission. We will be officially notified of re-accreditation status within a few weeks and then publicly recognized in February.

On September 14th, MPD Officers assisted in escorting FEMA through Maynard, enroute to the Carolinas for Hurricane Florence.

Sergeant Duggan, and Detective Manchuso responded to the City of Lawrence in their NEMLEC roles to assist with the Columbia Gas incidents.

Officer Davoll, and Officer Brennan responded to the City of Lawrence to supplement the Lawrence Police Department during the Columbia Gas crisis. We appreciate these Officers taking time away from home to assist during Lawrence’s time of need.

The drilling and blasting at 129 Parker Street began, and residents were notified.

Community Outreach

On September 29th, Dispatcher and Police Officers were present for MaynardFest. It was great to see all of our Maynard friends out and about downtown. Thank you for stopping by!

The last weekend of September brought Oktoberfest, and the carnival. The carnival was very popular and sponsored by the Maynard Police and Fire Associations.

The Maynard Police Relief Association began selling Pink Patches for the Pink Patch Project. The patches cost \$10.00 and ALL proceeds will be donated to Breast Cancer research.
