Incidents

On April 3rd, the Maynard Police Department responded to a residence on Field Street for a report of a suspicious white powder found in an envelope mailed to them. The residence believed it may have been a prank, as she is a school teacher. The envelope was removed from the residence, and tested by Hazmat. The suspicious white powder was found to be a life saver that had been crushed while in the mail.

On April 10th the Maynard Police Department received a 911 call and responded to Mill and Main Place for a report of a turkey that flew through a 5th floor window and into occupied offices. The turkey was loose in the offices, and eventually flew through a window on the other side of the office. Unfortunately, it was located deceased in the water below.

On April 12th, Officer Ruggiero responded to 7 Eleven for a report of past vandalism. Upon arrival the store owner produced video footage of a male using his foot to kick open the door and breaking it. Officer Ruggiero identified the individual from the video and was able to help facilitate a payment plan with the owner to repair the door.

Community Outreach

On April 5th, the National Honor Society students kindly volunteered their time to clean up the front of the Maynard Town Hall and Maynard Police Department. Thank you students!

On April 16th the Maynard Police Department and Maynard Fire Department presented an award to Zander Clark at the Selectman's Meeting. Zander was recognized for his life saving actions in March, he was crucial in getting help to his grandmother as she was choking.

As of April 30th the Powder Mill Road detour is completed. There is now a traffic detour on Waltham Street.

Each year the second week of April is dedicated to National Public Safety Telecommunicators. These men and women are a critical link between the public, as well as our Police & Fire personnel. They handle radio communications, E911 calls, E911 text messages, multiple business lines, and speak with the public in our lobby. Here at the Maynard Police Department we have 1 Communications Supervisor, 4 Full Time Dispatchers, 1 Part Time Dispatcher and 2 Per Diem Dispatchers. These men and women are the Public Safety Communications Department for Maynard Police and Maynard Fire. Public Safety Communications is staffed 24/7, 365 days a year. This means nights, weekends, holidays and brave those New England storms! Whenever you may need them, they will answer your call.
