# Incidents

After 20 years of service to the Town of Maynard, Bill Duggan worked his last shift here at the Maynard Police Department and entered into retirement! Congratulations, and thank you for your many years of service to this community. Wishing him many successes in the future.

Approximately six months ago, Maynard Police became aware of and began an investigation into reported drug activity out of a home at 15 Parker St. As a result of their investigation, on Thursday, July 16 at approximately 10:55 a.m., several members of the Maynard Police Department executed a search warrant at the 15 Parker St. home with assistance from the Littleton, Sudbury, Hudson, Ayer, Groton and Boxborough Police Departments, as well as the Northeastern Massachusetts Law Enforcement Council (NEMLEC) SWAT team. Police monitored the home throughout the morning to ensure it was safe to enter the residence. During the subsequent search of the home, police located significant amounts of drugs and drug paraphernalia, as well as a stun gun. Two neglected dogs were also found in the basement during the search of the home, and taken under the custody and care of Animal Control.

Chief Michael Noble announces the Maynard Police Department has adopted a new immigration policy in close collaboration with members of the town's Human Relations Committee (HRC). The idea for this policy was presented at the Special Town Meeting in Oct. 2019. Most of these items the police agreed to add or were already incorporated throughout the Department's policies, however there was wording in the article regarding never working with federal agencies that the police could not agree to support. The Maynard Police Department began working with the HRC to draft the policy based on the input of both groups while still adhering to safety and legal requirements for the department. Combining them into one new policy also allows the public and officers to more easily find the information. It was approved by the HRC on July 13 and the Maynard Board of Selectmen, who serve as the Police Commissioners, on Tuesday, July 21, and officially implemented on Thursday, July 23. "We saw the need for a policy that will continually ensure that all residents and visitors in our community feel valued, comfortable, safe, and are not afraid to report crimes to Maynard Police," Chief Noble said. "Thank you to all who collaborated and worked diligently with us to create this important resource to protect the human rights of all who make up the Maynard community." The HRC was formed in Nov. 2019 in part with the help of the Maynard Police Department and works to promote human rights, personal dignity and positive relations between all residents and visitors to the Town of Maynard.
